How to get started

1. Book a consultation at calendly.com/mmvisa-info (a consultation fee applies), or email us at info@mmvisa.com.au to get started.
2. Let us know you would like the DIY Review and include, for both the applicant and the sponsor: full name, email address, and residential address.
3. We then send you a secure online service agreement and access to the full toolkit.
4. Prepare your documents, send them to us for professional review, and receive written feedback before you lodge.

If you book a paid consultation and then proceed, your consultation fee is credited toward the DIY Review fee.

Built by an expert

Prepared and reviewed by a Registered Migration Agent (MARN 0901704) with 17 years of frontline experience helping couples navigate the Australian immigration system.
This is a document-review service, not full representation — you prepare and lodge, we check it first. The Department's application charge and third-party costs are separate.
